DUTIES:

1. INFORMANT SHALL SIGN HIS OWN NAME, under item 17 to authenticate the facts stated under items 1 to 16 inclusive. In case of facts taken from hospital or public records, the person authorized to release the facts shall sign HIS name in addition to giving the source of information.

2. THE FUNERAL DIRECTOR is responsible for completing the entire certificate, obtaining the signatures of the INFORMANT, the OFFICIAL last in attendance on the deceased and HIS OWN signature.

3. THE REGISTRAR can issue a burial or removal permit ONLY after receiving a completed death certificate, including the SIGNATURES IN BLACK ink under items 17, 23a and 25.

PENALTIES: Under the Idaho law, it is a misdemeanor to

(a) Knowingly supply false information to any one connected with completing a death certificate;
(b) Neglect or refuse to certify to the cause of death on request of the person in charge of the disposition of the deceased.
(c) Remove or bury the body of a deceased person WITHOUT the proper permit being FIRST obtained from the local registrar in the district WHERE THE DEATH OCCURRED;
(d) Alter a certificate on file in the office of a local registrar.

STATEMENT OF PLACE OF DEATH

Special attention should be given to the satisfactory completion of EACH portion of this item. The city or town and street address or route number refer to PLACE WHERE THE DEATH OCCURRED. For deaths occurring in hospitals, maternity homes, or institutions, the name of the place and length of stay MUST be stated.

STATEMENT OF USUAL RESIDENCE OF DECEASED

Regardless of the fact that the person may have lived his entire life at the place of death, ALWAYS COMPLETE ALL PARTS OF THIS ITEM. In case a person has resided in the county where death occurred for less than one year, give address of FORMER RESIDENCE. The post office of the deceased may be in a county or state other than the county of actual residence.

The personal and statistical particulars (items 1 to 16) shall be authenticated by the signature of the informant, who may be any competent person acquainted with the facts.

The statement of facts relating to the disposition of the body shall be signed by the undertaker or person acting as such.

The medical certificate shall be made and signed by the physician, if any, last in attendance on the deceased, who shall specify the time in attendance, the time he last saw the deceased alive and the hour of the day at which death occurred. And he shall further state the cause of death, so as to show the course of disease or sequence of causes resulting in death, giving the primary cause, and also the contributory causes, if any, and the duration of each. Indefinite and unsatisfactory terms, indicating only symptoms of disease or conditions resulting from disease, will not be held sufficient for issuing a burial or removal permit; and any certificate containing only such terms as defined by the state registrar as indefinite and unsatisfactory, shall be returned to the physician for correction and definition. The international classification of the causes of death shall be used by all physicians in stating the cause of death in the medical certificate. Causes of death, which may be the result of either disease or violence, shall be carefully defined; and if from violence, its nature shall be stated, and whether (probably) accidental, suicidal, or homicidal.

AMBULANCE BLACKFOOT, IDAHO PHONE 224

April 19, 1952

APR 21 1952

Dept. of Public Health,
Bureau of Vital Statistics,
State House,
Boise, Idaho.

Gentlemen:

June Martin age 83 died at the Idaho State Hospital South, Blackfoot, Idaho on March 15, 1952. Instructions were to contact her nephew, George S. Martin, Sioux Pass, Montana to make arrangements for cremation following her death.

The remains were embalmed and held for 10 days but we could make no contact with relatives. She was given temporary entombment (Burial) on March 25, 1952. Several days later I received word from George S. Martin that he had been snowed in and had not recieved word of the death untill about two weeks after.

He still desires to follow instructions and have cremation. We are shipping the remains today to Salt Lake Memorial Mausoleum Association Crematory.

Will you please make the correction on your Certificate of Death which was filed about March 25, 1952 to read cremation in Salt Lake City, Utah instead of Burial in State Hospital South Cemetery.

She had been a patient of the hospital more than twenty five yeafs and we thought that perhaps her relations had died or moved to other parts and would not desire to follow her wishes.

In reading the law on burials it is may understanding that burials of less than 30 (Thirty) days are considered Temporary Burials(or Entombment) and does not require the otherwise necessary "Disinterment Permit".

I am asking Mrs. W. E. Patrie to issue the Burial-Transit Permit for transportation ~~and~~ to and cremation at Salt Lake City, Utah.

Please advise me if I am not following proper proceedure.

Very truly yours,

J. C. Sandberg.
